Dimensional lumber estimates provided as a courtesy. Dimensional lumber is not included in this quote.

Notes:

1. This estimate represents R-Control SIPS best estimate based upon information given by the buyer or someone on the buyer's behalf. R-Control SIPS reserves the right to change the final price based on changes to and clarification of final buyer approved panel layout drawings.
2. Dimensional lumber provided by others. To assure the estimate is based on accurate information the contractor is responsible for informing R-Control SIPS of any addendum or changes that pertains to R-Control products following this estimate.
3. Wirechases: Horizontal at 16" and 44" from bottom of panel. Vertical every 4' unless otherwise stated.
4. Recesses/Connections: Please specify the connection intended as well as the depth and location of all recesses.
5. R-Control SIPS accepts no responsibility for the Architecture, Engineering and/or Construction of the buyer's structure or use of goods. R-Control SIPS makes no warranties, express or implied, except those set forth in the R-Control SIPS R-Control SIP Warranty statement.
6. R-Control SIPS R-Control Structural Insulated Panels must only be used according to the R-Control Construction Manual, load design charts, and technical bulletins current at the time of this Contract.
7. The buyer agrees to indemnify and hold R-Control SIPS and its employees and agents harmless for any and all use outside those specified in the applicable books, charts, and bulletins.
8. If the buyer is tax exempt a certificate of exemption must be provided 5 days prior to shipment or sales tax collected will be forfeited.

Terms: A \$0.00 non-refundable deposit due at start. A 50% deposit is due upon placement of order and balance due in the form of a EFT, money order, or personal/company check three days (3) prior to delivery. It is the responsibility of the buyer to; (1) verify all dimensions, and (2) provide any equipment necessary to off-load materials. Any alteration or deviation from the above specifications involving a change of material or shop drawings will be executed upon written orders for the same, and will be charged accordingly.

The prices on this contract are subject to change after 30 days from the date of contract.

Price does not include taxes, duties, tariffs or freight unless otherwise stated.
